FROM OUR BOARD CHAIR

Greetings to all of our Brothers and Sisters of the Southern Ohio Emmaus Community!

As I sit to write this article, I realize it's January 15, 2008. I don't know about you, but it seems as though time continues to speed up, and 2007 is now just a memory. Time is relative, of course, as some of us wish we had more, even as some wish for it to go even faster.

One thing I realize about myself, however, is that I often procrastinate. My wife is probably shouting "Amen!" as she reads this. I reveal this about myself because as I was driving home from work today, I realized it was January 15 – the deadline for this article! Nothing like waiting until the last minute.

But that reminds me that all of us procrastinate on occasion. Even today, we, as a community, procrastinate, waiting to send in our volunteer sheets, or waiting to decide to become a member of the live-in team, or waiting to decide to be part of Agape or Logistics or whatever.

Please don't get the idea that I'm complaining, especially since I am waiting to send my volunteer sheet in as well. I just know that sometimes time flies by, or events overtake our memory, or we just don't make it a priority. Nonetheless, we still need all of you to be a part of this Community of Faith – as volunteers, as a Board of Directors, as sponsors, as prayer partners, as participants at Candlelight and Closing, and, of course, at our monthly Gatherings. Among the many things that Jesus teaches us, He teaches us to be in community with one another – procrastinator or not. I hope, therefore, to see all of you at our next Gathering, January 27, 2008 at 3:00 pm.

As the newly elected Chair of the Board of Directors, I feel it an honor to thank all of our Directors who faithfully completed their terms in December. Linda Rose, our past Chair, identified them in the December newsletter. However, she didn't identify herself among those whose term had ended. Linda has faithfully served this Board and Community for three years, the last two as Chair. While we learn as an Emmaus team to not seek glory for self nor to bring any special attention on an individual, I would be remiss if I didn't thank Linda for her work, from myself and this Community. She has been tireless in her efforts to keep this organization going, and will continue to do so. She may be smaller than I am, but I feel as though I cannot even fit in the very large shoes she has left us with. Linda, thank you, and we will see you out there in the Community. God has blessed us as a Community and as individuals with your talent and presence.

It's now 2008, and it's time to get moving. There's a lot to be done, and a lot of blessings to be received from doing it. Let's not wait – let's do it together!

De Colores!

How are you sharing?

Happy New Year All! Hope your holidays were blessed and the New Year has started well for you. Some Fourth Days are better than others, huh? Don't forget that God is with you and you have your Christian friends. You are never alone.

Whether you are a new member or you have been here a while, have you joined a Share (Reunion) Group yet? Please let that be a priority for you this year. Be held accountable by caring friends and see every week where you have been Jesus for someone. It does make a difference in your walk when you have to consciously answer those questions. It helps us to keep our focus in the right place. It keeps us connected to our Christian friends. It helps us to remember when the Walks and Flights are and to send Agape to our newest members, reaching out to them in love the way someone did for you. Please, if you want to be part of a Share Group ask your sponsor to help or call your Good Shepherd. We will help you find people in your area that you can meet with.

Also, please remember that there is an Emmaus Prayer Chain that will pray for you or a loved one if you will just give us a call. **The Good Shepherd's** are:

Warming Up

I read about one occasion when Sadhu Sundar Singh and a companion were traveling through a pass high in the Himalayan Mountains. At one point they came across a body lying in the snow. Sundar Singh wished to stop and help the unfortunate man, but his companion refused, saying, "We shall lose our lives if we burden ourselves with him."

But Sundar Singh would not think of leaving the man to die in the ice and snow. As his companion made his farewell, Sundar Singh lifted the poor traveler onto his back. With great exertion on his part, he bore the man onward, but gradually the heat from Singh's body began to warm up the beleaguered frozen fellow, and he revived. Soon both were walking together side by side. Catching up with his former companion, they found him dead - frozen by the cold.

In the case of Sundar Singh, he was willing to lose his life on behalf of another, and in the process, found it; but in the case of his companion who sought only his own well-being, he only lost it.

Being part of an Emmaus community is something like this traveler who saved his own life by giving of himself for the welfare of another. We've had a marvelous three-day experience that was for many of us life-changing and we long to cluster together and relive the memory with our friends in the community to keep the experience "burning within us." This is a very good thing.

But please...don't neglect that soul along your fourth-day path who has a frozen heart that needs to be thawed. In the process you may once again have your own heart "warmed."

²⁵ **For whoever wants to save his life will lose it, but whoever loses his life for me will find it.**

(Matthew 16:25)

Your Brother in Christ,

Pastor Tom, Spiritual Director

Please give us your thoughts and ideas...

What would you like to see in your newsletter? It's sometimes difficult to know what the readers want to see. Would you like to hear about someone's fourth day experiences? Maybe you would like to share something about your fourth days, but you've been reluctant to share by speaking at a Gathering. We would love to print your fourth day story in the newsletter and maybe that would inspire others to share their story. Send your ideas to Greg Rush (*see Board Member List for contact information*)

It's becoming more and more expensive to mail the newsletter via the postal service. In an effort to reduce the cost to our subscribers and our Emmaus community, we are trying to make the electronic version of the newsletter more readable and more efficient for those readers who may have slower internet connections. This issue's electronic size is less than 200Kb, and what that means is that even if your internet connection is only very slow, it should take less than 2 minutes to download. So, if you would like to receive your copy via email, we need to know your email address. You can email your request to gr44gregr@yahoo.com or telephone Greg Rush at (740) 385-0945.

As always, you will also be able to download your copy from the website:

<http://www.southernohioemmaus.com/documents/newsletter.html> If you need Adobe PDF viewer software to be able to read the newsletter on your computer, you can also find a link on the website to download the software from the internet.
